

Pratik - sistema di rialzo letto orizzontale ed apertura totale

Pratik - system for horizontal elevation and total opening

Pratik®

Pratik è l'unico sistema brevettato che consente il rialzo orizzontale del piano letto con un solo movimento.

Pratik permette un comodo rifacimento quotidiano del letto e di accedere facilmente alla base che si trasforma in un comodo contenitore.

Pratik è disponibile in due versioni:

- Pratik
- Pratik Eko

Pratik

Pratik is the one and only patented system, made in Italy that allows the horizontal bed elevation in only one step.

Pratik enables an easy everyday's bed making and access to the container, becoming a comfortable storage unit.

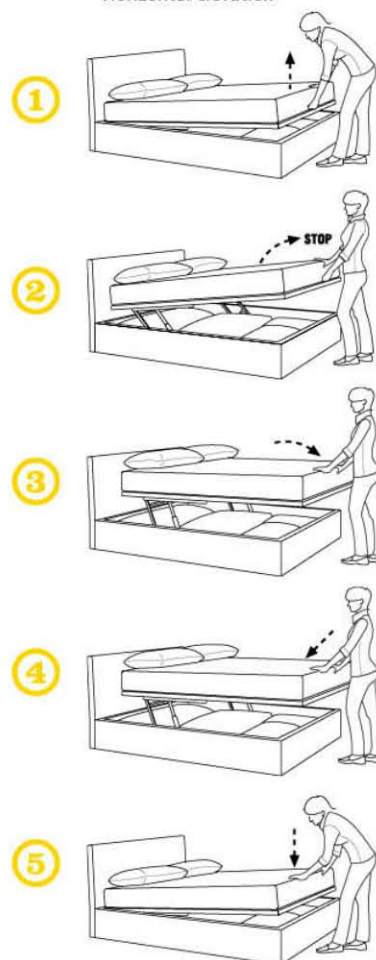

Pratik is available in two versions:

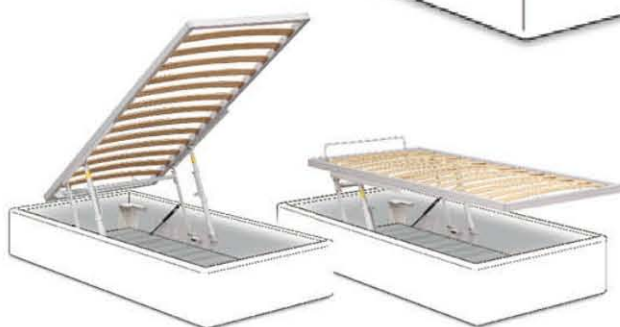

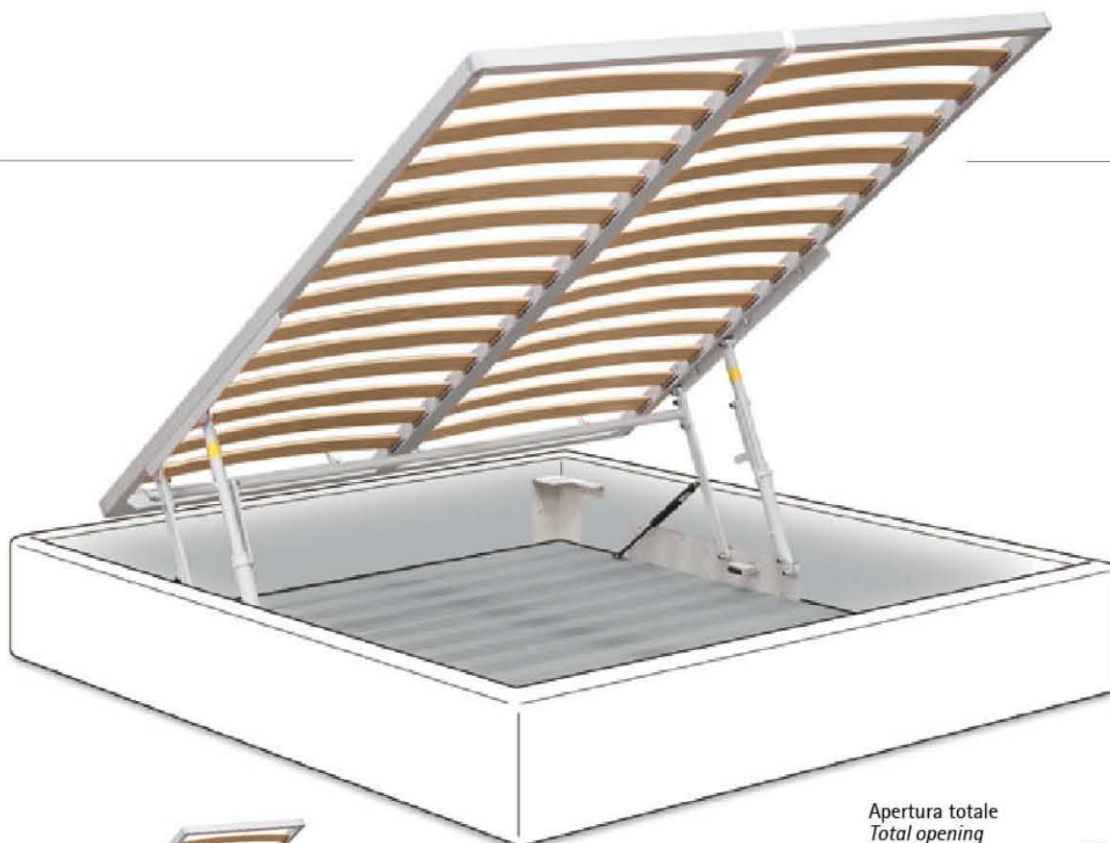

- Pratik
- Pratik Eko
