

# Pratik - sistema di rialzo letto orizzontale ed apertura totale

*Pratik - system for horizontal elevation and total opening*

## Pratik®

Pratik è l'unico sistema brevettato che consente il rialzo orizzontale del piano letto con un solo movimento.

Pratik permette un comodo rifacimento quotidiano del letto e di accedere facilmente alla base che si trasforma in un comodo contenitore.

Pratik è disponibile in due versioni:

- Pratik
- Pratik Eko

Pratik

*Pratik is the one and only patented system, made in Italy that allows the horizontal bed elevation in only one step.*

*Pratik enables an easy everyday's bed making and access to the container, becoming a comfortable storage unit.*

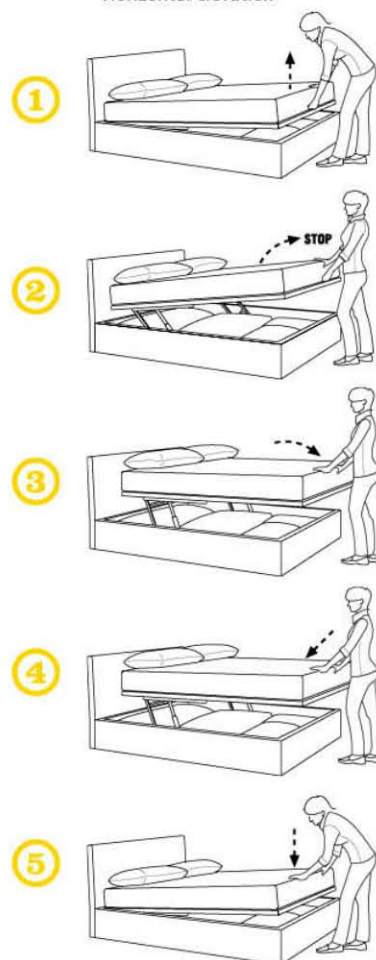

*Pratik is available in two versions:*

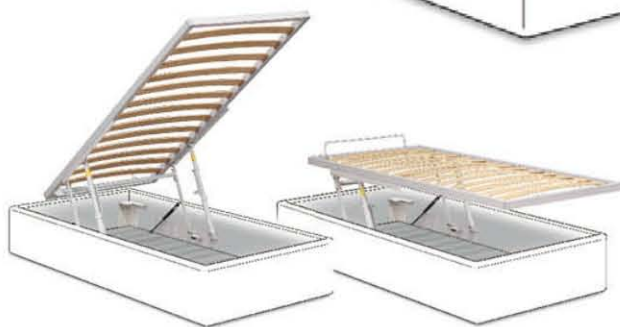

- Pratik
- Pratik Eko

Pratik Eko
